Anti-Graffiti Coating®

Anti-Graffiti Coating is a clear, one-component, non-sacrificial, ready-to-use siloxane coating intended for use over bare concrete or previously painted concrete or steel surfaces. It cures with atmospheric moisture and offers excellent graffiti resistance and cleanability with water power-washing.

### Features
- Graffiti removal with just water
- Non-Sacrificial
- Weatherability
- Single component
- Elastomeric
- Low VOC
- Long service life — 10–15+ years
- Surface tolerant
- One coat application

### Benefits
- Cost savings of 25% to 40% compared to existing methods of repainting, chemical removal, or abrasive cleaning.
- Can be cleaned an unlimited amount of times.
- Preserves its aesthetic appearance throughout lifetime.
- Ready to brush, roll, or spray. No mixing multiple components.
- Expands and contracts with the substrate — no adhesion issues.
- Long term cost savings.
- Apply over concrete, steel, or previously painted surfaces.
- Saves labor and time.

### Recommended Uses
- Interior or Exterior Applications
- Previously Painted Concrete or Steel Surfaces
- Bridge Abutments
- Commercial and Municipal Buildings
- Schools
- Transit Stations
- Overpasses
- Railcars
- Concrete Fences
- New Construction

No signs of graffiti left after clean-up; no visible signs of streaking, cracking, pinholing, discoloration or other coating degradation upon casual examination.

Graffiti Removal from Surface Coated:
Power wash with 3000-psi pressure washer (25 feet of hose) having a 15-degree tip at 2-3 inches away from the surface.

Graffiti can also be removed by solvent wiping or acceptable graffiti removers.

Fast Drying
Non-Sacrificial
Excellent Cleanability

A complete line of products. Market expertise. On-time distribution. What else would you expect from a world leader in protective coatings and linings?

It starts with a complete line of time-tested, high-performance products and some of the most innovative technologies in the coatings industry. But we know that it takes more than product alone to be a world leader in protective coatings and linings. And so do the customers that rely on us every day as we help them protect their business.

That’s where nearly 150 years of coatings industry experience comes in. Add to that a NACE-trained workforce with a combined 3,700 years of experience in corrosion control. The market-specific knowledge that our experts provide to evaluate, recommend and deliver the highest-performance coatings and linings that protect our customers’ assets.

It also means that we deliver on time, every time from 4,000 company-owned distribution points worldwide. Leave nothing to chance. Your single source of supply. Sherwin-Williams.
